That’s 100% of students who received an accolade. WOW!

**School Camp**

What an action packed 4 days. An early start on the last Sunday of the holidays had us ready to rumble first thing on Monday morning. We were at the door waiting for the Science Centre to open. Next was the Museum, a walk over the Goodwill Bridge to Old Government House, Parliament House, Anzac Square and back to our accommodation at the Qld Rifle Centre at Belmont. Tuesday we were again too early and waited patiently for The Gallery of Modern Art (GOMA) to open. The exhibitions were amazing. We swam at Southbank and headed to The Mt Coo-tha Botanic Gardens to complete the Hide and Seek Trail. Then it was up to the Mt Coo-tha Lookout, where it was freezing but the view made it worth it. The last day saw us visit The Lone Pine Koala Sanctuary. We patted kangaroos, wallabies and koalas. At 2 pm we headed back to Theebine. Thanks again to Mick and Helen Spies for arranging our transportation, both picking up, driving, and returning the vehicle.

**Camp reports**

Camp was amazing. Our whole school went to Brisbane. We saw lots of things. We travelled to camp on Sunday. It was awesome on the bus. We learnt and saw many new things. At GOMA I saw lots of pictures that I have never seen before. One of the amazing things I saw was an elephant standing on its head.

I really enjoyed camp and next year I would like to go to Wet ‘n Wild.

Rhys Greentree Yr. 3

Camp was fantastic. Our whole school went to Brisbane. We saw lots of things. We travelled to Brisbane on Sunday. It was awesome. We learnt and saw many new things. My favourite was The Wheel of Brisbane. I loved being up high and seeing it lit up at night. I really liked camp and next year I would like to go to Dreamworld.

**Mother’s Day Celebration**

Thanks to all of our ‘customers’ who attended our Pamper Session. The salons included a Foot Spa  
Therapeutic Massage  
Temple Rub  
Pedicure  
Herbal Teas

Salon operators had to write a persuasive advertisement to entice customers. We came up with adjectives like: invigorate, soothing, relax, rejuvenate! Our operators wrote messages of approval on the care, concern and customer service of the salon operators. All comments were very positive. There was a request for longer sessions at the Therapeutic Massage!  
Students presented an oral tribute to their mums and a card. A wonderful cake and cup of tea ended the afternoon.

Mrs Blair and Oscar cut the Mother’s Day cake

**Permaculture Garden**

Our plants are jumping out of the soil! Thanks Mr Newman for the soil, Mr Spies for the new pea trellis bags and Mrs Dakin for the chives and shallots.  
Last week we made pumpkin soup and bread for our Assistant Regional Director, Mrs Janelle Reid. Mrs Suzi Dieteren was also here to share the lunch. We have also made vegetable soup and next is pasta.

**Egg Drop Challenge June 26**

Gundiah and Gunalda schools will join us here at Theebine to test our designs in the quest for a safe egg landing. We will have 5 weeks to design the equivalent of an egg helmet, that we hope will protect an egg as it is dropped from a height.  
We are very egg-cited, are egging each other on to create a egg-straordinary design to make our school, the overall Egg Drop Champions!

**Anzac Day**

We were very pleased to be a part of the commemorations at Miva. We had been studying the Anzac Story but also talking about how we behave at a Commemoration and how our effort to attend a service, displays respect and recognition of the sacrifices made. Once again Theebine SS Students were exemplary. Thanks to the ladies of the Miva CWA for a superb organisation and a wonderful lunch.  
Thanks also to Mr Peters who came to our school service on Friday 24 April. We were able to share the Anzac Biscuits Mrs Odgers had helped us to bake.

---

**Fish**

Thanks Mr Quinn for our 2 Swordtail Fish. We have named them Tom and Bubbles. They add to our jobs we do each day which teach us responsibility and care for our environment.
