Build A Bridge Day

After Kops in Kilts we tested our bridges. One bridge held a whopping 2.3 kg. A fantastic day culminated in a soccer match against the Principals or fun in the sandpit. Thankyou to our P&C for a tasty lunch.

Kops In Kilts

What a wonderful turn out for our 2nd Kops In Kilts Performance. Thank you to our caring community for such great support and interest in our fabulous school. The P&C put on a fantastic Thanks to our community for such great support and interest in our fabulous school. The P&C put on a fantastic

The moment we believe that success is determined by an ingrained level of ability as opposed to resilience and hard work, we will be brittle in the face of adversity.
Joshua Waitzkin

Teamwork

What a great example of team work with the 2nd visit of Kops in Kilts. A great turn-out by the community made this a wonderful day. It was a great display of team work between myself and our small but able P&C. Again, they have delivered a memorable day for both the community and our children. Thankyou to the Gunalda Kindy for making the effort to attend.

Air-conditioning

Thanks to the Gambling Community Benefit Fund we have had installed over Easter reverse cycle air-conditioning. It has been a great asset in the few chilling mornings recently and will be very welcome when summer returns.

Voices on the Coast

Arafin and Kiaya were invited to attend the Children’s Literature Festival at the Sunshine Coast University with Gympie South State School. Thank you Mrs Wood

Voices on the Coast Recount

by Kiaya Daniels

Voices on the Coast was awesome!

Early in the morning, on Monday 6th of June, we left to go to Gympie South Side State School. On arriving, we were asked to wait under the school. Students from the school and teachers were waiting also. Arafin was happy and sitting with the boys. Miss Wood introduced me to some very nice girls who I spent the day with.

We hopped onto the bus and headed for the Sunshine Coast University or the Youth Literature Festival. On arriving at the University, it felt exciting and the University was huge.

The buildings were tall and so different to our school. We were put into groups and sent to different rooms to see authors.

Gregg Dreise, a famous author who writes Aboriginal stories, took our group. I loved how he played the didgeridoo. He read to us ‘Silly Bird’s, one of his many books.

I loved going to Voices on the Coast.

Techology

Oscar used Bubbl.us to design a mind-map of information extracted from our study of local bridges.

Athletics Day at Gunalda SS

We had a wonderful day at Gunalda SS and look forward to this being an annual event. Theebine State School with only 6 students managed to take 2nd place.

Build A Bridge

We had a great day testing our bridges along with Gundiah, Gunalda and Woolooga State Schools.

Schools.

Term 3. In my absence please make welcome Mrs Louise Parry. See you all at the Trivia Night.

The Very Cranky Bear

An Imaginative Retell by Beau Daniels

The Very Cranky Bear lived in a dark cave, which was darker to
wards the back. The cave was in the rainy jungle.

Bear could not believe his eyes. He saw a river of gold flowing from the
mountain side. Even though he was poor, he was the best farmer in
the village. But the reason he was poor, was because of his name. It
is said to be a name that means, BAD LUCK. His name is Dave.

Every year Dave witnessed a dragon fly overhead on its journey to find
a meal. King Bob scares the dragons off with his catapults. One night
when all was quiet an Arrowhead dragon darted right through the sky
like a flash of lightning. This dragon had a head shaped like a sharp
arrowhead. His ability to fly also equals the speed of a bullet.

On that fateful night, the dragon went to farmer Dave’s farm, all was
quiet. The dragon ate all the animals and burnt all the crops. Farmer
dave woke up with the smell of smoke floating through the air. Look
ning out of the window he saw the dragon.

“Go away you filthy beast,” he shouted.

He lit his torch and angrily went outside to see what had happened to
his farm. Suddenly, he noticed that it was an Arrowhead dragon that
had destroyed his crops and ate all his animals.

Not knowing Arrowhead dragons are nocturnal the dragon flew away
from Farmer Dave.

The dragon headed straight to King Bob’s castle. On the way the drag-
on lets out an almighty roar. Everyone on the mountain woke up with a
fright. Dragon, with his arrow shaped head, bullets through the
castle straight into the King’s gold chamber.

Once inside he turned the entire King’s wealth into a river of glittering
gold. It flowed down the side of the mountain onto Dave’s farm.
The next morning Dave tried to find as much wealth in his house and put it
into a small napkin. As he opened the door to go to the market, he
could not believe his eyes. He saw a river of gold flowing from the
castle. “I am RICH!” he stated. “I will share my good fortune with the
entire village. We will never be poor again.”

THE MESSAGE OF THIS STORY IS: TO SHARE WITH OTHERS WHAT YOU
HAVE and TO HELP WHENEVER YOU CAN.

Mrs Scheibach’s 20th Year of Service

This is a date claimer for an afternoon tea to celebrate Mrs Julie
Scheibach’s 20th Year of Service to Theobald State School. The
celebration will take place on the afternoon of Friday 5 Au-
gust. Please stay tuned for more information. Mrs Deb Ahlton
will be contacting you soon.
