Film Festival
Gympie

NAPLAN Congratulations
Well done Arafin and Rhys in the recent NAPLAN
assessment. Theebine SS results for 2015 are:

- All Year 3 students at National Minimum standard
  or above
- 2 students above National Minimum standard in
  Grammar and Punctuation.
- One student above National Minimum Standard in
  Numeracy, Reading, Grammar and Punctuation,
  and Spelling
- One student in Top Band (6) for both
  Numeracy and Reading.

Pass the Poetry
Recently we visited Glenwood SS and joined other schools
in our area for a poetry presentation. It was very funny
with lots of mix-ups with names. We heard about
the “Pansome Hince”. It was a lively, totally engaging,
visually rich theatre experience.

Art in our garden
Recently Arafin and Oscar’s mum, Shantam, came to
help us with our painting skills in preparation for
Gympie Art Gallery Gold Rush Competition. It was a
Very pleasant morning and Liam said “This is awesome!”

Father’s Day / Special Friend Day
On Friday 4 Sept. we had a great afternoon to
celebrate how important a good male role
model is in a child’s life. This may be a dad or a
special friend. Our billy cart making was lots of
fun and we made a book of How to make a billy
cart “, if you are interested! We were really
happy to have Mr Bevan Day, Mr Quinn and
Mr Kevin Day here to share in our billy cart races
and our sausage sizzle.

Gympie Regional Gallery
Thank you to Mrs Ross for a wonderful
experience recently at the Gympie Art Gallery.
We were able to further our progress towards
an entry for the Gold Rush Art Competition.

Great news
I recently heard that 2 past pupils had been highly
commended, on not only their behaviour, but their
educational initiative and skill. This was most interesting
in that these past students stood out amongst their
counterparts ,who had been in very large private schools
for their entire schooling life.

Quality not Quantity!
On Monday we celebrated the end of our science unit with a lunch prepared from our permaculture garden. It was great to see some of our friends here to share in the meal. We have been working hard in putting all of our thoughts into a Power Point presentation to demonstrate our understanding of the unit of work.

**Mt Kanigan/Kanighan excursion!**

What ever the pronunciation, this is a great view. Luckily for us, we were able to coordinate a six monthly visit by engineers from both Telstra and the Bureau of Meteorology, to understand the mountain’s importance for telecommunications in the district. We have just finished models of both the tower and radar using information from our visit.
Roald Dahl Performance in Maryborough

Children’s author Roald Dahl uses the most exciting of made up words like “hoggarish” and “mugglewump”! We had the most wonderful time last Friday, at the Brolga Theatre in Maryborough. The Revolting Rhymes and Dirty Beasts performance was spectacular. All students gave it the thumbs up! Leading up to the performance we constructed our own rhymes, poems and warnings inspired by Roald Dahl.

Roald Dahl’s Revolting Rhymes & Dirty Beasts

We also visited The Bond Store and the Military Museum

Latest enrolments!

We were so fortunate to have 2 chicks hatch before the holidays. There was much excitement today with our 2 new enrolments!

Thanks

Mr Dakin for servicing our mower and helping to get the school gates aligned!
Mr and Mrs Quinn for the passionfruit we have been enjoying.
Mr and Mrs Volmerhausen for trimming our palm trees.
Mr Jenkins for allowing us to use his song for our movie.

Warning

Watch out for a snickered and wicked beast.
He is terribly selfish and horribly mean.
He uses awkward disguises which blend in with nature.
He hides in places to eat little children.
It is The Enormous Crocodile!

Cheyenne Greentree (Yr 6)

“That was great!”

The Hairy Turtle

Beware, beware my dirty beast
As it moves slowly from the east
With three turtle heads
It eats meat instead.
Even though it may look cute
Its tail is stronger than a ute
That’s not the least
It’s wings are as big as a beast.
Although it looks scary
It’s very polite and hairy
His favourite meal is little bugs,
The tastiest of all are slugs.
There is one thing people don’t understand
A three headed turtle is not in demand
Though you may have caught a peek
Don’t expect to see it past this week!

Arafín Koch (Yr. 3)

Sticky Pie with Toad Eyes

Ingredients
3 kg of toad eyes
1 litre of poison
3 cups of pond mud
4 tablespoons of toad spit butter
5 cups of toad skin
1 litre of tadpole jelly

Method
1. Sauté the toad eyes until golden brown.
2. Add poison for a toad then whisk until combined.
3. Put toad spit butter into a bowl then whisk with all ingredients.
4. Scoop mud into pie dish. Add toad eyes.
5. Stretch toad skin over pie dish.
6. Bake until crispy.
7. Serve with tadpole jelly

Rhys Greentree Yr. 3.
