

# Investing for Success

**Under this agreement for 2016  
Theebine State School will receive**

**\$5,000\***

## **This funding will be used to**

- Increase the instant recognition of number facts.
- Increase the understanding of the metalanguage of NAPLAN questions.
- Read daily.
- Increase the understanding of Spelling rules.

## **Our initiatives include**

- Employment of an extra teacher to provide one on one instruction, targeting the first session of both Wednesday and Thursday.

## **Our school will improve student outcomes by**

- One on one instruction for rotation groups targeting Numeracy - instant recognition and recall of number facts, subitising and problem solving.
- One on one instruction for rotation groups targeting Reading - comprehension strategies based on Sheena Cameron.
- One on one instruction for Rapid Reading, reinforcing the Reading strategy of the week, every day.
- One on one instruction for rotation groups targeting Spelling - Words Their Way and C2C Spelling.
- One on one instruction for investigating NAPLAN style questions and the deficiencies identified in 2015 data.
