

Investing for Success

**Under this agreement for 2022
Theebine State School will receive**

\$5,633*

This funding will be used to

- Build successful school transitions for all students through the purchase of additional Teacher Aide hours.
- Ensure high levels of student engagement in learning, through social, emotional and wellbeing interventions which meet our student needs.

Our initiatives include

- CASW – Quality case management of student work to promote improvement through feedback
- Clear understanding of curriculum content and pedagogy through Pre and Post Moderation practices.
- Embed quality differentiation practices that meet the learning needs of all students through reasonable adjustments and assistive technology.

Our school will improve student outcomes by

Providing human resources to support students in the early years.	\$5,633
Understand where students are in their learning and differentiate teaching to meet the specific needs of all.	
Create student action plans that document strengths and learning goals for students with disabilities.
